Part 2: Opening and Completing Worksheets

Family Maths Course

During your course your tutor will set worksheets for you to complete. You can access these via the Learning Platform.

The screenshot shows the 'Family Maths' course page. At the top left is the Cheshire West and Chester logo. To its right is the text 'Family Maths' and a search bar labeled 'Search Courses'. Below this is a blue navigation bar with 'Home' and 'My Courses' links. A yellow breadcrumb trail shows 'My courses > Maths'. A purple notification box says 'Welcome to family maths - Your course tutor today is Nina'. Below that, under 'Topic 1', there is a list item 'Worksheet 1 - Adding and Subtracting' with a blue arrow pointing to it from the right. The status 'Not Submitted' is shown below the worksheet title.

You need to complete the worksheet and **SAVE** your work. If you are doing this on a computer or laptop it would be a good idea to create a new folder and save all your worksheets in here. If you are doing this on a mobile phone or tablet you will be given an option of saving it to the Moodle APP or to an online document store.

When you are happy with your work you can submit it here (See instructions below). This will go directly to your course tutor who will mark it and give you feedback.
